My dear Mr. Weisberg:

I wish to add my small voice to the persons who spoke with you last night by telephone while you were a guest of WCAU Night Talk. I feel that you have brought to the attention of great numbers of we people the glaring inconsistencies and omissions in the Warren Report. I sincerely hope that from the attention which you have give there will come a really true "investigation" of the Kennedy assassination.

I am enclosing my check in the amount of \$5.10 to cover the cost of one copy of the book, WHITEWASH. It is, I feel, a volume which should be read by every thinking person.

Also, I do wish to tell you how very much I enjoyed the small asides regarding your fondness for geese. I am a lover of animals and other creatures of every sort and it was a delight to hear some one else telling of their feeling for the wonderful capacity of our much maligned "critters".

Very best of success.

Sincerely,

  
Mrs. James L. Patterson
