This handsome, self-published book contains over 100 pages; 10 chapters; 3 appendixes; an index, a bibliography, and full & complete sources based off Mr. Palamara's many interviews with former Secret Service agents. This is the first book of its kind: devoted totally to the Secret Service in the context of the JFK murder! It is also the perfect answer to Gerald Posner's "Case Closed": you can have Oswald all alone on the sixth floor -- and no conspiracy -- and my book still holds up! Conspiracy or no conspiracy, students of the JFK case cannot ignore "The Third Alternative" for a complete view of the case. (Also available: Vince Palamara's Secret Service interviews -- four and a half hour of taped conversations with many former agents not interviewed by either the Warren Commission or the HSCA! Available exclusively from: Ulric Shannon, 4915 Coolbrook, Montreal, Quebec, H3X 2K8, Canada. For research purposes only -- not for sale!)
