Harold - trying to get news coverage  
of any kind is just a joke the  
St. L. Globe-Democrat told me that  
all the news about H.S.C.A. came  
over the wire from Washington!!!  
I asked what if the story was true,  
& not in W.D.C. & who didn't know!!!  
I can't believe it. Nobody gives  
a damn about anything. Let  
me know of any new developments  
at your end.

Oliver
