Deas Mr．Pavener；
I heve just ben infomed thet kizopf hen anounced a be for publication the 28th of shia month with a title identicel to one $Z$ copyrighted Fobruary 26 of §his year and wrote last year．Both titien are coup D＂Eter and，more untorbunately，both sre ossentially on the some aubject．Beceuse I have been sesicimg commercial pminting of my work，belisve this can now be particularly hamfut．I firas uned the titie lest June．

My book deala with both Kernedy ond the King assossinstions，With mell reference to that of Kaleolm $X$（to be expianded in a plen ned revision） and sayg that with the JFK murder we ha a coup d＇etat for the succeag op Which Whetever adistional murders that may be required will be committed．In 1985 I researchec a related book I have not yet had time to write that
 THE CUBi長 4 TS SLE CRISIE，I Pesr there may elso be hurt to 解is book．

Knoppia is by one 范。 Luttak and is deseribed se a hendbook for teking over govarmments．It is in the＂Tips＂secsion of＂Publishers＂Woekly＂ of April 14，p．77．Dick probsbly has tils。I gm getting a zerox copy．

John Friedman medo a number of eubmiseione of my Coup．Although it mas written long before the trial and the minitriel，it requires no revigion． I am about to write an addision．I shink without i ह，this wes an important work and that with the addition it will be even more significant．i sleo alseussed this book on a numbr of radio and 雷v shoms es fer back gs last October，to my recollection，perhaps earilar．

Do you ment to buale this or shsil $I$ write them？I would imegang，
 I do have the eoyyrigh on the title．This is the sort of thing Diek told me in 1967 he rould handle for me．

Kogig byt the way，is owned by Rendom fiouse，fich is owned by RCA．
With Mey 28 publication dete，the Hopf book is undoubtediy in diseributive chanels now．Teviem copies aleo，withou doubt，sre out．

Sincerely，
