Bill, 1/21/95- 2 Pepper's investigator, Jimmy Johnson

He said that Oscald as a boy, in the short poriod he was in the institution in New York, had horses was relations with three boys from hom he now has statements.

The says that the real Lee Harvey Cawald never shipped to Japan, that he remained in a Lavy group on here inleand, and was replaced by a lockalike. ONI group.

Seys Schrand was homeschurd and if he as not measurdered because of what he knew about Cavald, killed himself because he as homosexual. Says shotgun, which he behieved incorrectly was never used on guard duty, was found 20 feet from the body. (Not my recollection of inquest that I have, its says he has autopsy report.) Says he has picture of look-alike and you can't tell the difference from the pictures, that close a likeness.

On Lloyd Jowers and the story he told about prying the hing assassin off, he says that Jowers flipped out under Pepper's pressures. The have a civil suit against Jowers.

How and why Oswald was so important when he finished his training at Keesler Field he did not emplain now that I remember did he explain what the purpose of allegedly suitching a look-alike for Oswald in the Marines was.

He was unimpressed what I noted that among those with whom he served overseas with were those who took that radar training with Oswald, including three others at real for Field.

So, eten sheir voices bust have been sound-alike.

He referred to several he said testified to the Counts ion and what they said, and whe I checked the list of whitnes for and told him that there were none of those named, of which I remember that Grassi and Bowen, he was surprised.

In his version the three men behind both ssassinations were Kocver, Bunt with the theney and Osborne of Hoover's special Division Five base near Nuevo south of medico "ity.
