Hal---

You seem to be very well informed about CIA ~~xxx~~ spooks. Can you find out if ~~in~~ Cain drew pay from CIA, probably in Mexico between July 28, 1961, until the time he was expelled, June 4, 1962.

I wrote second letter to Wattle (never answered) in which I said perhaps Cain used another name but may have used his social security number which is 357-22-3335. (In the far out possibility that fingerprints would help, I have a set of Cain's on FBI input card dated 1968).

Dear Mr. DeMule:

Thank you for your letter of September regarding
Richard Scully Cain (also known as Richard Scullerford).

A careful check of our personnel records fails to reveal
that a person with either of these names was ever employed by
the Central Intelligence Agency.

Sincerely,

R. S. Vinton
