>> The City Of Dallas Archive has opened its doors allowing the research
>> community and public as a whole access to the JFK related documents from
> the
>> Dallas Police and County Sheriff's Department. They claim over eleven
>> thousand documents are found in twenty plus boxes. Each box contains
>> folders of documents. I copied their master index in mid-April. Below
is
>> the first four items from box number eight. Read closely the top item.

>> Had these curtain rods come from the TSBD and had Oswald's finger prints
>> been found on them, the Government's case went out the window. This
>> document, therefore, becomes a major find.
>>
>> Note the numbers found at the end of this document. The 08 01 001

the
>> next item is 08 02 002 and the following is 08 02 003.
>>
>> But, looking for this 'curtain rod' document, 08 01 001, is now
fruitless.
