

From the desk of

RICHARD E. SPRAGUE

Dear Harold:

As I recall, I never did send you the tramp booklet, since I ran out of copies. I just had some more made and am enclosing one for you.

How are things going? I just received a letter from Mr Cutler who said you were visiting him. I think he'll be a valuable asset. I have heard from Mr Longbottom in Scotland and will send him some photo monograph materials. Best regards
Dick
