

Dave Matheny in the Minnesota Daily ... the case is air-tight.

Let's have no more of this loose talk. Lee Harvey Oswald did it, and he did it alone. He was a Communist ...

... or maybe an anti-Communist. He fired three times (or was it four? or five?). From behind the President (or was it from in front)? Anyway ...

... we have his fingerprints (or we thought we did) to prove it. And don't forget the paraffin test. (Well, maybe we should forget the paraffin test.) In fact ...
