Dear Mr. Weisberg,

I am writing mainly to thank you for the unbelievable efforts you have made in the search for a solution to the assassination of John F. Kennedy. You can never be rewarded as you deserve. Your fellow countrymen owe you a debt they they can never repay. In a way, you are afflicted with Cassandra's curse, though after the fact, not before. The tragedy is the same.

I have also noticed in your latest opus, *Case Open*, that *Oswald in New Orleans* is available again. I have all your earlier Kennedy volumes (though *Whitewash* is in the trade paperback, rather than your self-published version) and I would like to complete my set. Could you please let me know the price (with S&H and so on), so that I can order it as soon as possible. I am also eagerly awaiting *Never Again!*

I myself am a professional historian (I received my doctorate from Oxford), and when I am not busy teaching and writing books and articles on ancient history, I am putting together a book on the single bullet theory, what I believe to be the weakest and most self-evidently false link in the 'official' version. This is to be a large, analytical, academic book, not a popular best-seller, like Posner's piece of propaganda. They even had him on TV up here in Canada, debating with some guy from Texas who was more interested in plugging his book than getting to the truth. It was a phone-in programme and there
