Dear Mr. Weisberg:

Thank you for writing Case Opened. We who are interested in learning the truth behind the assassination of President Kennedy owe you a great debt of gratitude for exposing Gerald Posner's dishonesty. I look forward to reading Never Again!, and hope that it will be on the bookshelves very soon.

I wish to read your previous books and have them in my collection for reference purposes - please send me your pricelist. At this time I doubt if I can afford to purchase them all, so I would first like to have those with coverage\* of the so-called sniper's nest. I am researching an article for the Fourth Decade to expose the gross inaccuracies in the illustration on p. 475 of Case Closed.

I wish you better health and many more years of productivity. We need you!

With best wishes and kind regards,

Sincerely yours,

Allan R.J. Eaglesham
