## MYSTERY OF KENNEDY INQUIRY CLEARED UP

FROM OUR OWN CORRESPONDENT—WASHINGTON, MAY 9

One mystery of the rather mystifying investigation of the Kennedy assassination now being conducted by Mr. Jim Garrison, the Attorney General of New Orleans, has been cleared up. The source of much of his information is Mr. Harold Weisberg, the author of *Whitewash: Report on the Warren Commission*.

Mr. Weisberg, who was one of the first to question the conclusions of the Warren commission, returned to his home in Maryland today after assisting Mr. Garrison and his staff. It was not his first

visit to New Orleans; he was at Mr. Garrison's side when the investigation was announced.

His book was not well received by the critics, and indeed was privately printed after it had been rejected by a number of publishers in New York and London. It is rather shrill in tone, but no one has questioned his honesty.

He has subsequently written two more books, *Whitewash 2: F.B.I. Secret Service Cover-up*, and *C.I.A. Whitewash: Oswald in New Orleans*.

It was these two books, with supporting documents, which were made available to Mr. Garrison.

## Over JFK 'Script'

The scenario guiding New Orleans District Attorney Jim Garrison in his investigation of President Kennedy's assassination can be glimpsed in any bookstore.

The investigation is Garrison's, but the script apparently started with Harold Weisberg, former Senate investigator and author of "Whitewash," a paperback attack on the Warren report.

"It's sure following m' book," Weisberg said yesterday of the

testimony of Louisiana lawyer Dean Adams Andrews Jr., who told the Warren Commission that a "Clay Bertrand" had asked him to represent Oswald after the assassination.

The FBI found the leads supplied by Andrews and others fruitless, and concluded, without locating "Bertrand," that he had no part in the assassination.

### Businessman Held

Garrison has charged that "Clay Bertrand" was actually Clay Shaw, a businessman.

What critics say about Weisberg and his *WHITEWASH* books: N.Y. Times: painstaking investigator; N.Y. Review of Books: close analysis...intriguing and interesting; Jim Garrison: best yet; New Republic: Report...shot to death and requires a full autopsy; London Observer: impressive; National Guardian: careful examination...blows Report to smithereens.
