Dear Mr. Weisberg,

Would you please send me a copy of Oswald in New Orleans even though it is O.P. xerox. I am enclosing a mail order for \$27.00 to paid for the book, insurance and shipping. Because it is a xerox copy would you please autograph it for authenticity. I will always know it is authentic, however my children, who will someday have all my information and books concerning the Kennedy assassination might question a xerox copy book.

Thank you for your help. Thank you for researching the assassination for people like me who don't have the time or money to be able to do it. May God bless you and your wife for this great service to the American people, even though some of them don't realize the importance of what you have done and are continuing to do.

Sincerely yours,
