## A CONFERENCE ON THE **POWER ELITE**

FRIDAY NOV. 14 AT 4:30 P.M.

AND NOV. 15 & 16 starting 10 A.M.

## UNIVERSITY OF MARYLAND

COLLEGE PARK

Topics for discussion will include: Is there an American ruling class? If so, is it monolithic? Who is part of this upper class and what are their goals? What institutions and methods do they use to gain and maintain power and influence? How can individuals defend themselves against these elites and stop supporting them?

Political assassinations, the intelligence communities, the Federal Reserve System, energy shortages, control over the mass media and education, the liberal-fascist corporate statist mentality, imperialism, land monopoly, government planned genocide, and other topics that may shed light on the nature of contemporary power will also be discussed.
