"I, Mrs. R. E. (Carolyn) Arnold, hereby freely and voluntarily make the following statement to E. J. Robertson who has identified himself as a Special Agent of the F.B.I.

"My name is Carolyn Arnold and I am married to R. E. Arnold. I reside at 3325 South Tyler Street Dallas, Texas. I am 20 years of age, born June 1, 1943, at Memphis, Tenn. I am a white female, and am employed by the Texas School Book Depository as a Secretary.

"On November 22, 1963, at the time President Kennedy was shot, I was standing in front of the Texas School Book Depository Building. I was with Mr. O. V. Campbell, 7120 Twin Tree Lane, Dallas, Mrs. L. C. (Bonnie) Richley, 220 South Marsalis, Apt. 117, Dallas; Mrs. Barney (Betty) Drago, 2705 West Brooklyn, Dallas; Mrs. Don (Virgie) Baker (Mrs. Rarkley), 3600½ Live Oak, Dallas; and Miss Judy Johnson, 915 Sunnyside, Dallas, at the time President Kennedy was shot.

"I did not see Lee Harvey Oswald at the time President Kennedy was shot.

"On the morning of November 22, 1963, I do not remember seeing any stranger in the building housing the Texas School Book Depository.

"I left the Texas School Book Depository Building at about 12:25 PM, November 22, 1963, and never returned to this building on that date.

"I have read the above statement consisting of one and one-half pages and it is true and correct to the best of my knowledge."

"Witnesses: E. J. ROBERTSON, Special Agent, FBI, Dallas, Texas,

3/13/64 THOMAS T. TRENTIN, Jr., Special Agent, FBI, Dallas, Texas, 3/13/64"

Mrs. Arnold saw Oswald on the first floor of the building right before the assassination. He could not have been on the first and sixth floors at the same time, hence could not have been an assassin. Instead of calling her before the Commission to swear to what she had seen, the FBI went back and asked her not if she had seen Oswald before the assassination but during it, when she was outside and he was inside. The short report is suppressed, the second printed. Suppression and deception, manipulation of evidence. Note also that in her signed statement she gave a later time that the FBI attributed to her, making it even more impossible for Oswald to have been the killer. See pp. 210-1.

THREE OF THE FBI REPORTS, TWO OF THEM SUPPRESSED, TWO SHOWING MAJOR CONFLICTS, FROM THE 150 PAGES OF FBI, SECRET SERVICE AND COMMISSION REPORTS, LETTERS AND MEMORANDA PICTURES OF WHICH ARE IN THIS NEW, SENSATIONAL BOOK AND ARE SEEN FOR THE FIRST TIME.

She stated thereafter she viewed the Presidential Motorcade and heard the shots that were fired at the President; however, she could furnish no information of value as to the individual firing the shots or any other information concerning OSWALD, whom she stated she did not know and had merely seen him working in the building.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

Mrs. Dorman watched the assassination from the 4th floor (Inv. 2-1-54) of the building, took pictures of it, said the shots did not come from two floor overhead, as the government asserts, but from behind the President. So, she was not called as a witness. Her pictures are not in evidence, not in the files. This report was not published. It was secret. Suppression! See p. 177.

She stated she had never seen LEE HARVEY OSWALD in the building and failed to recognize his photographs when shown on television.

When the President's motorcade passed, Mrs. DORMAN advised she was looking out the window on the fourth floor. The window was raised and she was taking pictures. It was at this time she heard sounds which sounded like shots. She felt that those shots were coming from the area of the Records Building. She stated she had soon no one whom she could associate with the shots during or after the shots were fired and was unable to provide any additional information.

# DA to Trigger Congress Action, Author Predicts

"DA, ARV, Jim Garrison's investigation is going to culminate in a congressional investigation," said a New York author after testifying before a secret session of the Orleans Parish Grand Jury almost three weeks Friday.

Writer Harold Weisberg, who has written two books severely criticizing the Warren Commission's Report on the death of President John F. Kennedy, entered the jury room at 10 a.m. with DA Jim Garrison and Assistant DA Richard Burns, Alvin Oster, James Alcock and Andrew Schmitz. He deplored Garrison shortly before 1 p.m.

Weisberg charged the Warren Commission had failed in its mission of fact gathering and a resounding "no" to the Warren Commission's Report on anything like it.

**CHANGES PREVENTION**  
He said he expects "a new and thorough investigation by Congress which will be entirely open to the public," even though "right now the federal government is trying every possible way to prevent Garrison's investigation."

Weisberg described his first book "Whitewash" as a blow against the Warren report and the second "Whitewash II" as criticism of what he termed CIA, Secret Service and FBI coverups. While there was no immediate indication of what was discussed in the secret jury session, sources in the DA's office said it might center upon post-holiday operations of the Central Intelligence Agency here.

Published reports this week said there is mounting evidence of a CIA link to the inquiry. Garrison into what he charges was a plot to kill Kennedy.
