Mr. Arthur Price, Pres.
Pennsylvania General Paper Co.
225 West 34th. St.,
New York 1, N.Y.

Dear Mr. Price,

I certainly hope you did make a tape of the Long John Nebel Show, for the character of the interrogators and their attitudes toward the late President, me, the book and its subject matter, when added to their own to me odd preconceptions and beliefs, made for a strange and somewhat heated discussion. I am most anxious to have a copy of it.

During one of the station breaks, Mr. Laski commented that he was now devoting his talents to Senator Robert Kennedy.

As soon as the show was over I drove home, answered the pressing mail, and then drove to the nearest town with outgoing mail today with it. I included the copies of Whitewash your two nice girls requested, and they should have them by the time you get this.

If there is any advice you'd care to offer about my performance on this show, I'd appreciate it. If there are any similar invitations in the future I intend to accept them, and if I made any mistakes I'd like to not repeat them.

My wife, to whom I mentioned you idea but briefly, for we have had but a few free moments since my return, is as interested as I. We are both looking forward to hearing more about it from you.

Sincerely,

Harold Weisberg
