

Memo from **VICKI DURYEA**

March 8, 1968

Dear Mr. Weisberg:

Enclosed are photocopies of the completed article which Mr. Price promised to forward. Also, photocopy of Page 57 thru page 60 taken from the Charles Hamilton - Auction No. 25 - held March 7, 1968.

Happened to catch your program taped for the Les Crane show last night Thursday, March 7th. You put up a very good show. Hope your efforts realize some fruitfulness very soon.

As usually, things are pretty hectic in the office and not much time for everything. Must hurry on with the workload. Perhaps I can then have a pleasant week-end.

Trust your trip home was pleasant and that we will see you again shortly.

Sincerely,

W. Weisberg
Charles, letters
