Dear Mr. Buckley:

Thank you for your prompt attention to my suggestion (copies of our correspondence enclosed to save you time.)

My Foundation is now in a position to be of help, if needed, to encourage the study of the Warren Commission Report as announced.

I am awaiting the plans of the Historical Research Foundation or whatever Mrs. Alfred Kohlberg can tell me.

There may be available an ideal person to conduct this enterprise - Mr. Harold Weisberg. Mr. Weisberg is the author of four books; "WHITEWASH" (The Report On The Warren Report); "WHITEWASH II" (The F. B. I. Secret Service Coverup); "PHOTOGRAPHIC WHITEWASH" (Suppressed Kennedy Assassination Pictures); and "OSWALD IN NEW ORLEANS" (Case for Conspiracy with the C. I. A.) He was the first to really put the Warren Report on trial. His was the first serious book questioning the report. Mr. Weisberg had to pay to print these books himself to get it launched.

I would be glad to be of help in any way. The same goes for the move to add you to the Yale Corporation. This would be a labor of love.

Cordially,

The Arthur Price Foundation
