p **MORE THAN 60** American publishers turned
n down "Whitewash: The Report on the Warren
e Report" by Harold Weisberg before it was
ir privately printed by the author at the Merkle
g Press in Washington, D.C. Now Mr. Weisberg
f reports that this book, which was featured
with Viking's "Inquest" in an eight-column
front-page story in the *Washington Post* of
e May 29, has 2,751 copies in distribution or
r sold, out of the 5,000 copies printed. The
e first 17 stores in the Washington area to
- order took an average of 39 copies each.
- Jobbers handling the book include A. & A.,
l Dimondstein, District News, Raymar and Co-
mo Sales. "Whitewash" is 6x9 inches, printed
' by offset on heavy 60-lb stock and includes
, documentation from the Warren Commission
, testimony and exhibits. Mr. Weisberg believes

that by using only the official testimony and
exhibits of the Commission he has managed
to destroy all major conclusions regarding
President Kennedy's assassination.
