JANUARY ISSUE OF FORTHCOMING BOOKS NOW IN PREPARATION

Period Covered: This issue will list books scheduled for publication between January 1 and May 31, 1967.

Titles Eligible: Adult and juvenile trade books; college and el-hi texts; reprints; revised and new editions of previously published books; technical and professional publications; paperbacks.

DEADLINE: Friday, December 2

Instructions:

1. List the author (last name first, please), title, price, pubdate (tentative dates indicating only the month are acceptable, if the full date is not yet known), and subject category of each title. Also indicate revised editions, new editions, etc.
2. Beginning with this issue, a Subject Guide to FORTHCOMING BOOKS will also be published. Indicate ONE subject category for each title you include. Please choose the most specific subject possible from the enclosed list of categories. Write out or abbreviate the subject next to the title. (Please do not use numbers.)
3. Juvenile titles should be clearly indicated as such and, in addition, should be categorized using the enclosed list. Picture books are "Fiction--contemporary" unless they deal with a specific non-fiction subject in a non-fiction way.
4. Write "el-hi" after all elementary and high school texts.

If you have any question, I shall be happy to answer them. Thank you for your cooperation.

Do not confuse this letter with Barbara Bannon's request for information for PW'S Spring Announcement Number.

Sincerely yours,
