Dear Miss Bannon:

Enclosed is a completed form on my new book, WHITEWASH II:
THE FBI-SECRET SERVICE COVERUP.

Although it is late for January "Forthcoming Books", would
you please give the enclosed carbons of this letter to Miss
Rose Army and Miss Helaine MacKeigan for their files? They
were kind enough to write me also.

Under separate cover we are sending copies of the book.

The first printing is 10,000 copies. Within 48 hours of the
mailing of notice to wholesalers now handling WHITEWASH, my
first book, 25% were ordered by phone!

The problems of a one-man researcher, writer, publisher, pub-
licist, speaker, lecturer and mail clerk are many, lack of
time being the greatest. Because of the content, I have
rushed this book. The press release has not yet been mimeo-
graphed. I will mail one tomorrow, when it is done.

All of you people have been very kind, and I do very much
appreciate it.

Sincerely yours,

Harold Weisberg
