Dear Mr. Robinson,

If it is new I'll be interested- and surprised.

If it is not, I hope you will understand that I still work a very long day without being able to do everything I should and, having little time, try to avoid correspondence that will not advance the work.

I do hope you do have something new.

Sincerely,

Harold Weisberg

Dear Mr. Weisberg -

I'd like to discuss a new aspect of the John Kennedy assassination with you, if you are interested.

I got the address from FRAME-UP.

A handwritten signature in cursive script that reads "Budd Robinson". The signature is written in dark ink and is positioned above the typed address.
