Dear Lawrenceinsky,

Req. these pictures reach you without street address.

It's looking to you I forget that I've arranged for a radio show by phone for the submarine whenever he emerges. It is with Miss Dale, WQAI, San Antonio, a wonderful guy with an enormous audience.

He's on from 10 a.m. local time, I think for three hours.

Let me know when you are ready, or remind him of his address to us.

Sincerely,

Harold Weisberg
