Specimen Qc288, a Canadian Money Order, is too indistinct for a satisfactory examination; however, differences were noted between the writings on this item and K211, K488, Q261 and Q262.

The "Galt" signatures alone appearing on Q86, Q131, Q132, Q141, Q173, Q216, Q219, Q221, Q223, Q226, Q258, Q260, Q327, Q337, Kc4 and K5 were determined to have been prepared by the writer of Q261 and Q262 (records of the bartender school in Los Angeles, California).

The conclusions reported in the following paragraph are the result of comparing pertinent questioned items with K211 (records of the Missouri State Prison), Q261 and Q262.

The questioned hand printing or handwriting and the signatures, where they appear, on Q133, Q134, Q215, Q216, Q219, Q221, Q223, Q260, Q326, Q327 and K5 were determined to have been prepared by the writer of K211, Q261 and Q262.

The items in question were compared with specimens K488, Q261 and Q262, previously described. As a result of these comparisons it was concluded that the questioned hand printing or handwriting and signatures, where they appear, on Q133, Q134, Q215, Q260, Q326, Q327 and K5 were prepared by the writer of K488, Q261 and Q262.

Specimen Q337, the location of which was requested by Mr. Beasley, was returned to the Los Angeles Division of this Bureau on May 17, 1968, with the results of a latent fingerprint examination.

K488 is returned to FBI, Memphis. Photographs were made.

Submitted herewith are five separate communications which Sheriff WILLIAM N. MORRIS, JR., Shelby County, Memphis, Tennessee, made available to SAC this date. These are letters prepared by subject JAMES EARL RAY. These are all samples of known handwriting and hand printing of subject RAY. They should be utilized for any additional handwriting comparison needed in captioned case.

In addition, there are furnished herewith the originals of two letters which were forwarded by RAY to the Honorable W. PRESTON BATTLE, Judge of the Criminal Court, Memphis, Tennessee. Judge BATTLE will be the presiding Judge in the JAMES EARL RAY trial. These letters were furnished by Judge BATTLE to SAC. In connection with these letters, District Attorney General PHIL M. CANALE, Memphis, raised point that possibility exists that utilization of material furnished the Judge might be prejudicial at some future date. CANALE pointed out that since Judge BATTLE would hear case he was of opinion that it would probably not be feasible to utilize handwriting in letters sent Judge BATTLE. Therefore, it is requested that handwriting examination prepared by Document Section utilize letters received from Sheriff MORRIS as primary sources for examination purposes.

Results of examination regarding letters received by Sheriff MORRIS should be handled in separate communication. Handwriting examination relative to letters received by Judge BATTLE should not be incorporated in the examination of handwriting contained in letters received by Sheriff MORRIS. The letters received by Judge BATTLE should be made a matter of a
