Dear Jerry;

I read your letter Monday & had to be
everything is alright. I also heard from
S. B. Stone he said he would be up
Saturday. I told you in the last letter
that you didn't help to talk to someone
yet but I guess it wouldn't hurt anything
what I was gone to do was wait until
I found out when Stone would be
here but now I no, I guess you
know this case is getting kind of
complicated plus they have the trial
date set for Nov. 12 and I don't
think Homer can do everything that
has to be done. What I would
like for you to do is besides

Talking to Freeman is to send me
his phone no. + address as I
can write to him + explain the
circumstances of the case to him,
take it easy.

Jim
