

Dear Jerry,

4/30/80

Just before your letter of the 25 came I heard an item on the radio about Jimmy's New career, landscape artist. I've read the story and I'll send it to Carol, thanks.

That beautiful thing I saw on your head was no cap. It was a fine hat. Not quite cowboy, which is why I liked it. You always horse around, so naturally you go for the cowboy.

Don't bother copping any Sunday punches or kicking any asses for me. I don't like the idea and I don't believe that real men either behave or boast that way.

Your favorite (?) FBI pimp beat them in a court of appeals decision handed down yesterday. I don't think they want too many more of that kind of pimp. I haven't seen the decision yet, but maybe Clark or Stoner will get a copy if they get the normal lawyer services.

I've not heard from Carol and I suppose nobody has heard from John.

Don't buy too many more hats if you expect to be on TV with Stoner during his trial. Too much danger they won't fit you when your head swells up.

Sincerely,

April 25, 1980.

Dear Soul Brother Harold,

I'am going to type a few lines and send you a Newspaper clipping about the Mayor Of Petros, Tenn. After you read it then send it onto Carol, as i dont have another clipping.

Hoss bought another cap, this time it's a Cowboy cap, as Hoss thinks that fits his personality better.

The next time i get some film for my Camera, then i'll have some pictures taken of Hoss and send you some.

Hoss wasnt trying to look like a cool cat in the pictures that i sent, i'am a hip cat and it shows in any picture taken of me. Most people that don't call me Hoss, call me Big Daddy Cool Breeze. Everything is going pretty smooth down here, JB trial will start in 17 days, the judge ruled that TV cameras will be allowed in the Courtroom, so i guess it will get a lot of coverage.

I havent heard from Jack since he was released.

I'll sign off for now and get this in the mail, also let me know if you want any special kind of pictures taken, by that i mean me demonstrating how i cop my sunday punches, or in any other kind of pose weather it's by this big Caddy or me kicking asses, then i'll be glad to send you what you want.

Sincerely

Hoss
