Hi Harold, How's Tricks.

Just a short note to say i hope you're feeling better.

I didn't talk to you very long in our recent phone conversation, as i knew you werent up to it.

Like i said above, i hope this note finds you in better health.

If you think it would it would lift your spirits, plus improve your health, if i would make you a tape and sing some good Old Country Music plus tell a few of my one liner Jokes, then i would be more then glad to.

I miss entertaining you, as i enjoyed it as much as you did.

I hope to hear from you soon, as i'am already loosing up my vocal cords.

Tell Lil hello for me.

Your Friend
