

1-26-95.

Hi Harold,

Just a short note to go along with  
this Card.

I thought that i would send you this  
Card to cheer you up, as these Jokes  
are better then the ones i tell.

Everything is going along okay at  
this end.

I hope this Card finds you feeling  
better.

Tell Lil hello for me.

Sincerly

*Jerry.*

: NOT

You've heard of the people  
Who laughed themselves sick,  
But to laugh yourself well  
Is a much better trick!

Did you hear about the disturbance in the medicine cabinet?

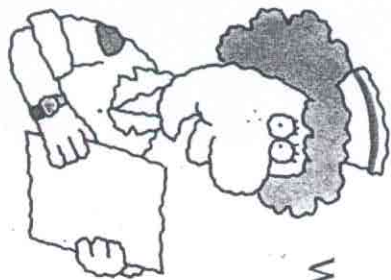

No, what happened?

The baby aspirin cried and woke up the sleeping pills!

What will happen if you invent a better mousetrap?

You will put a lot of cats on unemployment!

What's another name for a hospital?

The halls of I.V.I

How do you stop a charging rhinoceros?

Take away his credit card!

Did you know that a woman invented ether?

Really?

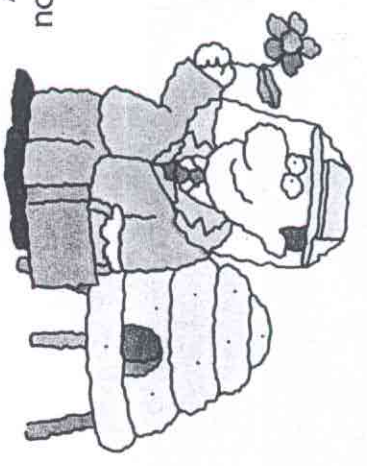

Who was she?

Anna Sthetici!

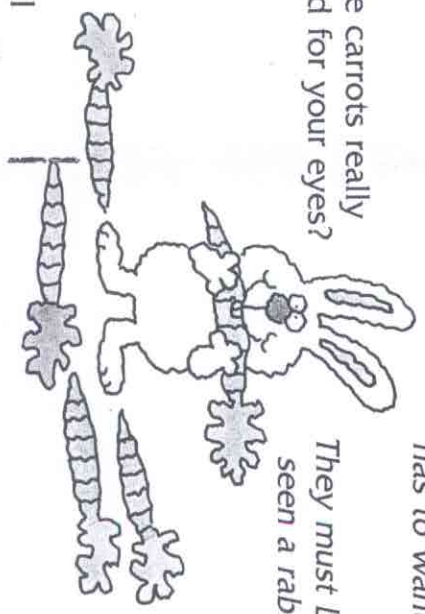

What do you call a guy who raises giant honeybees?

*A big bzzzzzz-ness man!*

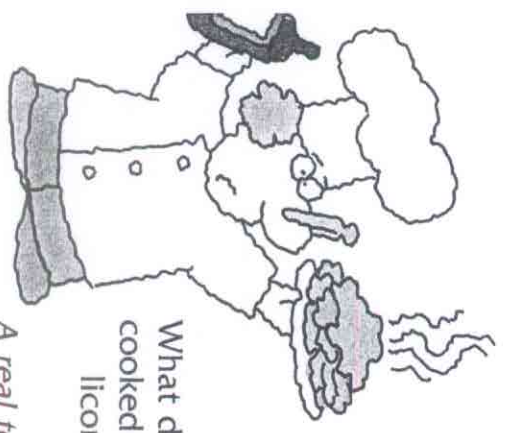

Are carrots really good for your eyes?

*They must be! Have you ever seen a rabbit with glasses?*

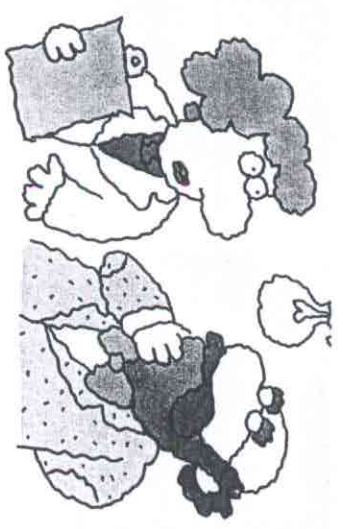

What do you call cooked cabbage with licorice sauce?

*A real tongue depressor!*

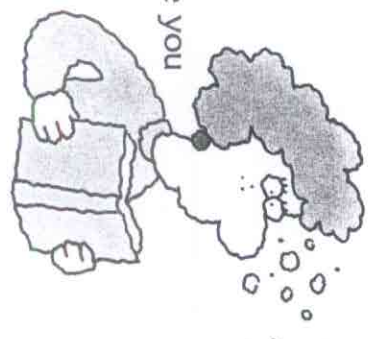

How many psychiatrists does it take to change a light bulb?

*Just one—but the light bulb really has to want to change!*

What do you do in case you start seeing spots before your eyes?

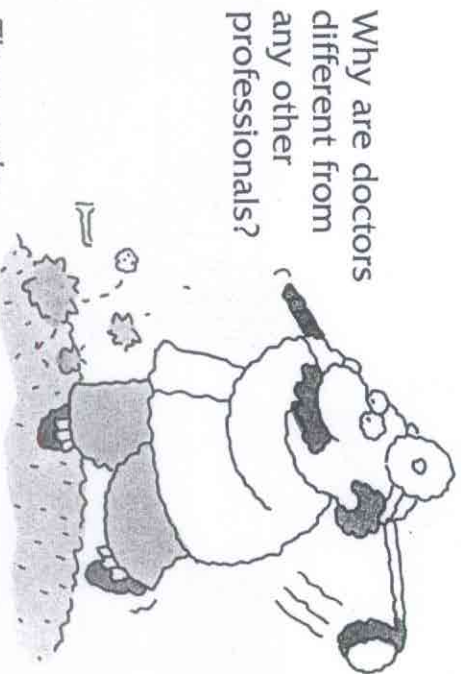

*Quit reading Dick and Jane books!*

Do you know  
why hospitals  
serve you  
so much soft food?

So when you throw it out the window,  
you won't hurt anybody!

Why are doctors  
different from  
any other  
professionals?

They make  
most of their money while they're

Now you've read all the jokes,  
Hope you've laughed so darn hard  
You'll find you've no need  
For the wish on this card!

**GET WELL QUICK**
