Mr. Ray...
The material which you have written for me is most helpful. With it I can re-create your escape on April 23, 1967, your walk toward Kansas City, how you reached Chicago, and how you lived there for about two months, working at the Indian Trail Restaurant in Winnetka.

I need exactly this sort of information for every other period of your life from the day you left Chicago for Canada... This 11 months from your escape down to about March 1, 1968.

I also need some additional detail as to your way of life inside the prison during the seven years prior to your escape.

Here are more questions:

In that seven years name for me all the people who visited you.

How often did you have a visit from somebody?

Estimate for me how many times you had a visitor during that seven years?

Did any woman ever visit you?

Immediately prior to your escape on April 23rd, when had you had your last visitor? A month? Three months? Christmas? Six months?

Tell me how and where you slept in prison? Alone in a cell? With one cell-mate? Who was your last cell-mate?

Tell me about this last cell-mate? Who? What crime was he in for? Did he talk a lot? What about?

DEPICTS ON HOW I GOT OUT
LAUNDRY TRUCK A BREAD TRUCK
IF THE WARDEN KNEW HOW I GOT
OUT DSK HIM HOW COME HE
WAITED 24 HRS. BEFORE HE
REPORTED ME MISSING.
