Mr. James Earl Ray Shelby County Jail Memphis, Tennessee

Dear Mr. Ray:

I have just received your letter of September 18 requesting that I wish you in Memphis. Please excuse me for failing to answer your earlier letter, but I was in Kentucky where I am now representing eight innocent men who are falsely charged with murder.

I will leave Savannah next Wednesday and will head straight to Memphis to see you as soon as I stop off in Atlanta for one day. I will be at the jail to see you either next Friday or Saturday. Of course, of it is absolutely necessary for me to see you sooner, please advise and I will fly out to see you.

It is nice of you to offer to pay me, but that will not be necessary. I am willing to render any legal services that you request, free of charge.

As soon as you receive this letter, please write a letter to Judge Battle and ask him to please tell the officials at the jail to allow me to visit you when I arrive at the jail. Also, please send a letter to the Sheriff, or whoever is in charge of your jail and notify them that you wish for me to visit you on legal business. If they will let you use the phone, please call me.

With best wishes, I remain

Sincerely yours

J. B. Stoner
