Hal---

Friend tells me that brother of
Bebe Rebozo was arrested for
dope pushing.

Is this new?

Best,

A handwritten signature in dark ink, appearing to be the initials 'ED' with a long horizontal stroke extending to the right.

Ed, your 3/10 quotes rumor from friend that
Rebozo's brother arrested in narcotics case.
If you have an informed source on Rebozo, can
you learn anything about his wife? I under-
stand her maiden named was Barker, as in
Bernard Barker, CIA-er, Watergater, etc. Not
too many Cubans so named. HW 3/12/73
