Re: Boston teletype to San Francisco 1/21/64.
San Francisco teletype to Boston and Dallas dated 1/21/64.

Attached herewith are thirty copies of an insert reflecting a telephonic interview of [redacted] on 1/21/64 and personal interview with [redacted] on 1/23/64, by SA JAMES J. STRATFORD, JR. and SA JOHN F. SWEENEY.

This information was not set forth on an FD-302 as personal observation of [redacted] raises considerable question as to whether or not any of the information she is furnishing is the truth. Throughout the interview she was continuously twitching her face and departing from the subject matter and dropping the names of prominent individuals that she alleges she has known. In view of the fact that she was interviewed by agents of the San Francisco Office in November and December, 1963 and was afforded a polygraph examination on 12/5/63 in an attempt to evaluate her stories, a copy of the information she has furnished the Boston Office is being forwarded to San Francisco.

No leads are being set forth for the Dallas Office and whether or not further investigation should be conducted is left for the consideration of Dallas.
