Dear Mr. Weisberg,

Enclosed are stories
about:

1. - What Ed Redditt
said in closed
testimony March 22.

2. - A Criminal Appeals
Court judge (who is
subject to ouster charges),
says Roy deserves
a New Trial.

P.S.
Larry Flynt's
48 page Tabloid
on F.K.'s murder
to be sold up here.

It's explanatory.

Among many things printed,

- The receipt signed by Sibert & O'Keefe of
a missile to name of James

- William S. Spitzer's teletype message at New Orleans
FBI office, of threat to Kennedy.

Best Wishes,

Barbara Gordon Rinley
