DUPLICATE YELLOW

NOTE: Commission by relet advised that Mrs. Earlene Roberts, the housekeeper at 1026 North Beckley, Dallas, Texas, where Oswald resided at the time of the assassination, had reported that at about 1:00 p.m., on 11-22-63, Dallas police car Number 207 drove slowly by the front of her premises and honked the horn several times. The Dallas FD indicated that car 207 was not in the vicinity at this time. The Commission requests appropriate investigation to determine if any Dallas police cars were in the vicinity of the premises between the hours of 12:00 noon and 2:00 p.m., on 11-22-63. As you will recall, the President was killed at approximately 12:30 p.m. It was completely feasible for the police to learn Oswald's identity at approximately 12:47 p.m., and to learn he was missing from the Texas School Book Depository Building. The reason for any police car honking the horn in front of this address is unknown, however, it is entirely possible this was a car in plant to determine if Oswald returned to his home.

When this matter is resolved, the Commission will be immediately notified. 58 MAY 27 1964 *509*

Department of Justice
Washington, D.C. 20535

Dear Mr. Hoover:

Mrs. Darlene Roberts, the housekeeper at 1026 North Beckley during the period that Oswald resided there in October-November, 1963, has stated that at about 1:00 P.M. on November 22, 1963, a Dallas police car drove slowly by the front of the premises of 1026 North Beckley and honked the horn several times. Mrs. Roberts stated that the occupants of the car were not known to her even though she did have some acquaintances on the Dallas police force who called upon her at the above premises. She has previously stated that the car was number 207. We understand that the Dallas Police Department has indicated that such car was not in the vicinity of the above premises at the time it was allegedly observed by Mrs. Roberts.

Would you please conduct such investigation as may be necessary to determine whether or not any cars of the Dallas Police Department were in the vicinity of 1026 North Beckley between the hours of 12:00 noon and 2:00 PM on November 22, 1963.

Your continued cooperation is appreciated.

Sincerely,
