

THE ROBINHOOD SOCIETY of AMERICA
Endorsing WALLACE for PRESIDENT

THE ROBINHOOD SOCIETY of AMERICA, is a Society of the American People, established in the year 1939, Not to steal from the rich to give to the poor but rather to make the rich give back to the poor what they have stolen from the poor.

The ROBINHOOD SOCIETY of AMERICA, CHARGES All United States Governmental REPRESENTATIVES of ROBBERY MEN through: Unnecessary TAXATION, CORRUPT POLITICS, ILLEGAL COURTS, that can be bought, DISHONEST ATTORNEYS, DEPRIVING the People of their rights under the original Constitution written for the People and by the People, Conspiring with the Loboist to write changes into our Legislation and passing Bills created to increase the financial gains of both the Multi Million Dollar Corporations and the Governmental Agents involved, DISCRIMINATING with the prominent wealthy against the poverty stricken and the poor and the small Business Man to prevent the poor Man from elevating himself and to eliminate the small Business Man from the American scene. Of allowing Monopolies to exist and placing People into a position where they have no alternative they must purchase the services and commodities of these Monopolies. WE CHARGE the FEDERAL BUREAU of INVESTIGATION and the COURTS of not only allowing organized crime to operate in this Country but also of being SILENT PARTNERS of organized crime. The F B I knows the operators of all crime syndicates as well as their whereabouts and could stop their activities in 24 hours if they wanted to. WE CHARGE the FEDERAL BUREAU of NARCOTICS and the COURTS for allowing the dope peddler to operate a thriving business in our Country when they are well aware of who these people are as well as where they are, these operations could be stopped in 24 hours but it would eliminate Millions of Dollars worth of payoffs. The COURTS and the FEDERAL BUREAU of NARCOTICS ARE GUILTY not only of mass Murder but even worse the total destruction of many human bodies and minds. If our Society is aware of all this information and knows it is possible to eliminate wholesale crime and dope, WHY HAVEN'T this been DONE?

These Charges and many more are based on facts and information compiled by our members, members closely involved with and working with all phases of Government from the Federal to the Municipality Governments, from the Judiciary Departments to the Local Police Departments. These members have been and are your associates and friends that have dedicated their lives to returning to the American People their Government, Law enforcement as it was intended, Honest Courts and their right to earn a living without the out of proportion TAXATION that has been levied on the American working People. We can and will prove that income tax is NOT necessary, the Bureau of Internal Revenue is NOT necessary, Social Security is not necessary, ALL State and City sales Taxes and Income Taxes are NOT necessary. We can also show how the National Debt can be paid in 24 hours. We will issue another letter in three months with this information along with a list of changes in our Federal and State Government systems that we DEMAND necessary for the betterment of our Country and its People. Top on the list will be the IMPEACHMENT of PRESIDENT Nixon and the removal of Vice President Agnew from office. THE MEMBERS OF THIS SOCIETY MUST REMAIN ANONYMOUS AT THIS TIME TO INSURE THE SAFETY OF OUR MEMBERS WE DO NOT CHOOSE TO BE REMOVED AS THE KENNEDYS WERE.

WE ARE HOLDING THE GOVERNMENT RESPONSIBLE FOR THE SAFETY OF WALLACE
