

- Fellinger p 1 - will P. whether
rather than rifles? (2) Stuff on
skin skull (3) p. 15-16 but
comparable - Dark better than
(9) interesting - 27 int. (14) Should
be followed - when he saw you
flash, why bullet + exp. part
brought to Phil a. Did he
study slides - in museum?
21 - Saw pictures of some of
the material & that not
set is just
23 What autopsy material are
it all left? How much of it
already been destroyed
25 What did he mean by "well,
there the answer is
27 Think protocol altered - prob.
by general people - and signed
by him

27-28 - Spitzer under orders
