Re memorandum of Supv. LOEFFLER, 2/25/65
regarding request of WILLIAM F. ALEXANDER, Assistant
District Attorney of Dallas County.

I called ALEXANDER and discussed this matter with him and he seemed somewhat insistent that it will be necessary to have the Polygraph Operator here for the sanity hearing. I pointed out to him that we had conducted this interview at the specific request of the Warren Commission and that our Agent had testified before the Warren hearing; also, that Agent WOOD had not made complete notes on all that occurred, but that this was handled by a local court reporter.

I called the Bureau and advised them of his request and talked to Inspector GEORGE SCATTERDAY and requested that they advise me where he could allegedly receive the original records.

In the meantime, I checked the Warren Commission report and found that the complete report on this polygraph examination was included in Vol. 14, pages 504 through 570, and I so advised Mr. ALEXANDER.

After receipt of Bureau teletype of same date, I again telephoned Mr. ALEXANDER and advised him that if he is in need of the original copy, he should make inquiry of Mr. HERMAN KAHN, Assistant Archivist, National Archives, Washington, D. C. ALEXANDER seemed to be satisfied with this and indicated he didn't think it would be necessary to try to secure the testimony of our Polygraph Operator.
