And why should Lovelle have phoned
a nurse back into the jail office to work in
town Min, since he is not a doctor? There
was a police car waiting at they could have
had Oswald in the hospital by the time
the ambulance got there

If the shooting happened at 10:30, there
was a full 10-minute delay (p. 158) for the ambulance
to be made at 11:31. The
trip to the hospital took less than 4 minutes
(p. 158)
