Dear Mr. Weisberg,

I am very sorry I didn't mail the money sooner.

I read others books about the assassination of President Kennedy. but I enjoy yours tremendously. I hope the people will write to their congress man and express their opinion. I would like to inform you my opinion when Ruby shot Oswald the ambulance came in a few minutes. The Warren report had no difficulty finding that Ruby had no assistance from the Police. I find it hard to believe that the Police didn't have any assistance, with Ruby. I would like to mention one more important statement. I think the television cameras, could show a lot more evidence. I think other cameras from different states (Newman) could

have alot of evidence. Thank  
you for waiting for the money.

Sincerely,

Georgia Jackson
