

Dear No Sheronick,

Harold Weisberg

Frederick, MD 21702

The FBI report you refer to has a fifth volume, on Ruby. Only the first volume pretendedly is on the assassination and it does not even give the cause of death or account for all the known shooting. As you will see at the end of Whitewash. It scared the Commission, as you will see beginning on 476 of Post Mortem and throughout Whitewash IV. It controlled what the Commission dared do or think of doing. But it is a diatribe against Oswald, not a serious and informative report on the assassination.

Under the 1992 Act each American is entitled to the first 100 pages of assassination records xeroxed free. If you really want this report, which in the Commission's records is Commission Document 1, ask for it under the 1992 Act.

You write The National Archives, JFK Liaison, 8601 Adelphi Road, College Park, MD 20740-6001, or the liaison files section, and in time they'll send it to you. There will be a couple of pages still due you free but not many. ~~Get~~ Get only that first volume to ^{begin} with and study the ~~index~~ index to begin with.

In it you'll see what I say above.

Thanks for your order and for your compliment.

Best wishes,

Harold Weisberg

Dear Mr. Weisberg:

Thank you for sending me your list of publications. The list just arrived, barely a week after I wrote you requesting it.

Enclosed are the completed request and my check for the full amount. You will note that the address on the check does not match my new address. I can assure you the check is good, however, I will understand if you want to hold the shipment until the check clears.

What is your policy regarding other, non-published material? For example, I have been trying to obtain a copy of the FBI report that was issued following the assassination. I believe it was a one volume report and three supporting volumes of exhibits issued in December, 1963, followed by a one volume report with exhibits included which was released in January, 1964, for a total of five volumes. If you are in possession of these volumes, I would gladly reimburse you for your time, effort, and inconvenience as well as for the cost of duplication if you would be willing to send me a copy. Please let me know.

Again, thank you for truly patriotic efforts.

Sincerely,

Mo Sheronick

*P.S. If not too much trouble,
Please inscribe the books.*

Thank you.
