Dear Mr. Weisberg -
Thank you so very much
for sending me your book "White
Wash" and the enclosing
money order for \$5.00 with 3 cents.

We hope you will have great
success with this book -

and I hope some publisher
will be sensible enough to
publish it - This is wonderful!

Your letter was so nice - and -
it made us realize what a
sensitive man you are - and
too really nice - to have to
stand those lawyers, that night.

for me - hope that they don't lose
any clients - as one doesn't
get a word in edgewise -
so wishing you the greatest
success - and may God
bless you and your dear wife -
to whom, the book is dedicated

Yours very sincerely

Esa M Sorensen

Mrs. K. F. Sorensen

Mr. Harold Weisberg

~~Heights~~

Hyattstown

Maryland -

Dear Mr. Weisberg -

First, may I congratulate
you, on your poise and common
sense, last Saturday night,
when those arrogant "lawyers"
here "picked" you apart!

Go, Gods! we were so angry -
at them - that when it was all
over - we went to bed - mad, mad!

I would like to know where
I can get a copy of your
book - "Warren White Wash" -

and
My husbands ~~are~~ are not writers -
only those - sensible people -
who have been having a little
secret investigation between
only us, about - what happened
that awful day, in Dallas!
Nov 22 - 1963 - May that fine
J.F.K. rest in Peace - amen -
he has felt so since then -
just exactly as you described
you back - last Sat July 23 -
on the Allen Burke show - no think,
(off the record -) that some of the
"dirty white trash" - as the Colons
people call the Southerners -
had "something" to "do," with that
day - so one of their own -
LBJ could get in the White House,
hell - who did that dastardly

act. I hope and pray that God
in His Mercy - will reveal that!
I do not think it's - source
has any "out of this Country" arguing
he think - someone in Dallas.
Who wanted JFK. OUT. is still
Conscience stricken about it -
and the "Warren White Wash"
is a wonderful Title for this -
Thanking you for writing
this book - for which I hope to
get one - and hoping the real
Culprit will be found -
but - still won't bring back
our beloved J.F.K. and
hoping someone in America
and the world - will buy your
book - yours gratefully
Mrs. R.F. Sorensen -
