Dear Mr. Stahlecker,

How I wish ~~it~~ there were a Jack ^{Mc}kinney today with a fine show like his.

He and it were the best withing my experience and if as a person he was not the best of them I recall none better than he.

Especially now that any travel is dangerous for me.

You, for example, do not mention my case Open, still in some stores, or NEVER AGAIN!, which is current. Sorry, I see that you do. Read your letter yesterday.

Posner and his wife made hundreds of pages of copies but I did not see or want to see what they copied. It is not now possible for me to go to the basement where all those records are to search for them. I remember that memo and used it as I now recall in Oswald in New Orleans.

That it had been withdrawn in 1975 does not mean that it is not today available at the Archives, either as disclosed by the FBI or by the HSCA. I'd ask the Archives, now at the Univ. Of Md. campus at College Park, MD. and mention HSCA also.

I appreciate your comments and thank you for them.

Sincerely,

Harold Weisberg

Dear Mr. Weisberg,

I have been a fan of your work ever since your many appearances on the Jack McKinney radio show on Philadelphia's WCAU in the 1960s. The first book I ever purchased on the subject of the JFK assassination was your original *Whitewash*, by mail directly from you. I have most recently read *Case Open*, and plan to purchase *Never Again* next. I hope this letter finds you well.

I'm trying to find a copy of an FBI memorandum which Posner used as a cite in his book, titled "Re: Lee Harvey Oswald, Internal Security -R- Cuba, Miami, Florida," dated 9/12/64. This record was withdrawn from the Archives on 12/10/75 by the FBI. A friend suggested that Posner may have gotten his copy from you, and that I might succeed in doing the same.

If you do have a copy of that document, and if you would be so kind as to forward a copy to me, I would be happy to reimburse you for your reasonable duplication, postage and handling charges.

Thank you for whatever assistance you can lend. Thank you especially for the many years of informative and enlightening investigative reporting you've honored us with on the subject of JFK.

Very truly yours,

CHARLES E. STAHLECKER
