Re: Liberation Review

Dear Sweet Sylvia,

Enclosed please find copy of a review on Ed's book which I have this day forwarded to Liberation. I understand that Ed is coming to Philadelphia. Please forward the review to him. Advise him that he is invited to dinner when he comes to Philadelphia. If he feels so inclined to answer the review, I feel confident that if Liberation prints it, they will afford equal time to him for rebuttal.

I think that the questions which the review raises are the rough equivalent of the peace movements Turn-Towards Peace approach as opposed to a Dellinger approach. I like to think of myself in this thrust as a kind of sullied and gutless Dellinger. The next phase of the research will have to tangle with this problem. Our article tries to come to grips with the tactics and plunks down for a more direct one.

Harold Weisberg wrote one tremendous article for Books. I have suggested to Ira Einhorn that he write a favorable review on Weisberg's book for Liberation. He said he would.

We love you,

Harder than Arnoni,

Vince
