3/12/67
Bear Vince,

The enclosed cony of my letter to tha Attorney Gensral is self-axplanstory. His statements today are something I have waited for. + bope to be ble to do some tiing with thera.

It is true that for some time I heve bean flyhting for the relesse of certein specific things thet have been suppressed and in violation of his orn ordere For: the most part I heve been doing this outh rely in lengthy corresponamence. To some of these pressures they resmond. They heve not with tho spectrographis anglysis. Thay have with the bullet and Iregrenta and with the zopruaer compro.

I have, in too-great haste, examined the bullet, I new, when I can, propose to request permission to take my onn pictures of it. fou can, of course, non axumiae the bullet ati the gregnents, the curbatone und the cemara. I think the bullet will shock you, for even the treiling odges, those that slleg diy srosshed all this bone, are without acratches or nicks.

As Ray predicted, the curbstone has bean patchent There is a color matexture difierence.

There are other tests I would like to make. I here exhsuster my ojmiristrative reaedies and an prepered to go to court, but I cannot find a ladyer and I cannot
 ACLU, "Iihout response. Do you know one who is prepered to hendle such a csse or casesi I beliave right noa is an excellent time, becauge of the present state of public opinion and becuse ai Glark's statemint ho sants only the truth.

I can also show that the government is not following its own ground rules, that it mekes evailabla meterlal that is versonsily demaging to the 1 ft and to pacifists (and is apvarently wrong) While it suppresees whst se ms to difold the right. I gave Penn sotae matocisl on this several months ago in the hope he conld work it up hut I've beerd nothine from hiv on the right end. I esti also prove that the goverment is making available inforvation the tis personglly dateging to people. I have ito tit relates to allegations of momosexuality ageingt nemed and described people.
 perhepo more inportant, what, relates to them, I thint no one clas has done and is the grerequisite for a suit I went to file, charging the govornment with violating its own lav and reguletions and engeging in improper ond illegal contractual relations. I slse think I ineve located an inportunt witness on this, one who will testify that such evidence is the property of the hosnital nekine the gutonsy. I

I remain overly-comaltted, with three past-deadine boiks, but foula like to go farthur with this nos bocaus the timing is so right, if you have any :ungestions.
