Dear Harold:

Book business has been quiet, but we have sold a few of your "Whitewash." When are you appearing around here again? We had very favorable reports from people that heard you. Wish you could get on Col Harvey's show.

As to your Men's Club appearance Sept 20<sup>th</sup>, we are giving a free dinner to the 350 men plus wives. There should be about 450 to 500 to hear you. Our publicity kicks off on the 15<sup>th</sup> of August. I'll send you hits & snatches. The meal starts about 6:30 contact me & we will group together.

Hope the new book gets a publisher, let me know.

Ozzy
