Let me know who else  
you want.

The luncheon wishing you a  
'bookhand', Coley Robinson,  
was looking for the book and  
Gloria told me to contact  
you.

It's really you & me 3  
enjoyed the evening.

It was a stimulating  
show. The reaction of people  
that came in to buy the  
book (15) by 3 o'clock, was  
like that.

Gloria called and announced  
you & the list for home printers  
& the bookhand for the  
20th as our guest.
