Dear Herald:

If you are going to do the "Man  
About Town" show let me know, cause  
I can incorporate publicity around it.  
Mail, radio + T.V. There are a lot of  
free bees on our type of advertising  
& I have the connections.

Need a plug on N.B.C. from Russia on the  
Anti Warsaw Reports, you are famous!!!  
I'm not kidding. We'll hear

P.S. I'll go w/ me to  
the school on Tuesday

Love  
Clare

Dear Dave,

In hasty reply to your partly legible note of the 30th., I have heard nothing more from the man about Town show. Perhaps if you called them they would tell you whether they have abandoned the idea or would like me on the 20th., when I'll be in that area anyway.

I am making no other plans for that day and will get to your place ahead of time. The Russian thing is news to me. I'd like to know more of it. But if they should print my book it will amount to theft, anyway, for if they pay at all it is in rubles that can be spent only in Moscow, and I have no plans for going there.

Taped what, regardless of how it is edited, shall make a sensational TV special. Metronedia is going to syndicate. Channel 5 in New York but I do not know if they have an outlet that is seen in Phila. except that their NY signal is picked up with special serials. It should be aired before the 20th. Just got back. Lane, Sauvage, Penn Jones and a now well-shredded professor named Cohen were on it, with Jim Bishop the mc.

Thanks for any suggestions and for the ideas of publicity. Man About Town was hot to get me a while back. It is no sweet for me if I'm to be there that day, hence I'd like it, with or without opposition.

The performance of WHITWASH continues to astound. I'd like to know what it is doing with you, including comparatively. Viking has dumped Inquest. Do not get caught with a lot of copies. The Pentam paperback is due in two weeks. Beware of Lane personally. He is a slick rascal who gives an honest appearance. Sauvage, personally, is a fine man. He may be on WJAU soon.

If it is not too much trouble, could you sort of check on United and see if they need copies? They could run out and not know. Made the front page of the Wall Street Journal day before yesterday.

Make whatever plans seem appropriate to you. I'll be there as early as I can. Unless something now not scheduled turns up, it will be latex afternoon. Looking forward to it.

Sincerely,

PS. Anything I didn't answer I couldn't read. Like my writing, only better.
