Dear Dave,

If there is a newspaperman at the meeting and someone asks me a question about Arlen Specter, you will have a little less apathy! Remember, I called him a repetitive liar and dared him to sue me. He has been silent. When he got on CBS he lied all over again. I regard his doing this for the political profit in it as even more reprehensible than his original transgressions. I have accused him of this in writing and gotten no real response. I gave him a chance to retract his lies and he evaded, refusing even to repeat the lie of the moment, that he had told the truth...Apathy will change to concern (or we'll have no country left).

Eloria's phone is (name, Packer) EL 6-4358.

Downey, mgr FOAU, has not acceded to request for time on Harvey (pm) show. Harvey has never responded. If you can line anything up for that pm or next am, please do, esp if TT is possible, and in advance, which should help the mtg.

If I do not hear from you before then, I'll phone when I get to Phila that p.m. Tuesday 9/19.

If you haven't heard from the Parallax should soon have my New Orleans book out. CBS is not distributing it. Original appearance 95¢ paper. Introduction by Jim Garrison. Should sell.

Regards,
