Lyons advised that Sartor inquired about Claude Cockrell, who is known to Lyons as a possible segregationist in the Memphis area. Lyons stated Sartor is of the opinion that if a car was used to go to Millington, as described by the news media, then Cockrell was the logical person, although no reason was given by Sartor for this. Lyons said Sartor was of the opinion that if another white Mustang was used to assist the killer of King in escaping the Memphis area, as referred to by the news media concerning the CB radio broadcast, then he considered Cockrell to be the logical person to have a private airplane waiting at Millington.

Lyons further stated that Sartor is of the opinion that officers who were suspended for acts of police brutality within the past year are involved in the slaying of Dr. Martin Luther King. According to Lyons, Sartor does not give any basis for this.

Sartor told Lyons that he has contact with the Mafia in New Orleans, New York, and Philadelphia, although he named only one individual, one Solo or Sola, as his contact with the Mafia in New Orleans.

Lyons stated he has had numerous casual meetings with Sartor and during this period Lyons has volunteered certain information of his personal life to Sartor, including facts regarding the tragic death of Lyons' wife. While volunteering information to Sartor regarding his wife's illness, Lyons mentioned that his wife had become addicted to the use of narcotics during her illness and in this regard had cooperated with Federal Drug Administration Supervisor Don Voight. Sartor had asked Lyons to ascertain information regarding narcotics from Voight.

Lyons described Sartor as being unreliable and as attributing false information to Lyons, which information was actually rumored by Sartor. According to Lyons, Sartor, by originating these rumors in different areas in Memphis, is able to get a "play back" from various sources, which he uses as a means of lending credence to his stories.

Lyons advised he could furnish no information concerning any conspiracy in the death of Martin Luther King, Jr. He said he knows of no individuals involved with James Earl Ray in the death of Martin Luther King, Jr.
