Dear Harold,

Thanks again for an enjoyable although short stay with you and your wife. Hal expressed interest in meeting Vince so I took him directly to Vince's when we reached Phila. and we had dinner there. I then left to take the car home and left Vince and Hal engaged in conversation.

Hal ordered pages copied on your account and I had the ones I wanted from the above documents on my account. Since all of the ones which Hal ordered (which I read also) were of interest to me, we decided just to order the one set and then have you send copies to each of us. As for the ones I ordered, look through them and make copies of the pages you want. Some of them are for some writings of mine and will probably not be of interest to you. Hal would like copies of the pages from my order which you think are important. Both orders are being sent to you.

The following is my order: CD 14: pp16-18,28-29,37-39; CD20 pp6-8, 24-25; CD 1396: pp 23, 25-27, 52, 54, 66-68; CD 1481: pp31-32, 35-36, 97-102; CD 771: 5 pgs.; CB 1316: Cl, C2, C4; CD 372: SS control # 891; CD 1120; CD 350 pg 1; CD 446d: SS # 1141 & Photo & Personal Data & newspaper; CD 525; CD 1484: pp2-3; CD 1485: pp 1, 4-6, 11; CD 1179 vol. I: pp41, 100-104, 133-146; CD 1179 VolII: pp295-98; CD 1106; CD1141, p56; CD 1135: 5 pages; CD 1447: 2 photos; CD 1083: 3 photos.

Baker was very evasive about one of the photos I was after and lied to me about the photo file which he said contained all their photos. I think that this is a signal to pursue trying to get the photo.

In regard to my memo on McNabb. In looking through it, the only thing which need be fixed up is blackening out the names of the girls (in fact, only the last names, and Elaine's full name). Could you make a copy of it for Fensterwald (I have no facilities anywhere nearby) and then blacken out the girls' last names and Elaine's name? Making a new memo would require a fair amount of time. It is very important to deal with the problem of them telling you that McNabb was working for Jim and Louie telling you that he isn't. Unless Louie is wrong, it would appear that they had done quite a bit more than making a simple mistake. They might reason (if there is anything devious about it) that you could not check it out for sure because of strained relations with the office.

Thanks again for everything. Sorry to make you the clearing house for the stuff we got at the Archives. Take care and give my regards to your wife.
